WHISTLER

STEP UP THIS WINTER TO REFINED LUXURY AND UNPARALLELED SERVICE LEVELS ON OUR EXECUTIVE FLOOR.

AND, IT ALL BEGINS THE MOMENT YOUR VEHICLE PULLS INTO OUR PORTE COCHERE.

As an **EXECUTIVE FLOOR** guest your stay with us is personalized to your needs from the moment you make your reservation with us to the moment you depart. Your Concierge will greet you upon arrival and confirm all your arrangements, whether it is ski

school for the kids, sleigh rides and dog-sledding or dinner in our award-winning Aubergine Grille. We'll have everything in order so your holidays begin as you planned them.

Your accommodation is a residentially-designed suite which has just undergone a \$10 million guestroom refurbishment program. You will find all the comforts of home with a welcoming fireplace, inviting soaker tub, quality-appointed kitchen, 32" LCD flat panel television and of course Westin's famous *Heavenly Bed*. Plus, windows that open up to fresh mountain air!

But there's more.

Every morning we'll provide a **wake up coffee service** in your suite, a **special evening housekeeping service** every night of your stay, **free internet** access if you need to contact the office or home, **complimentary ski valet** service to store skis and boards, **\$15 credit** every day of your stay to use towards dining in the Aubergine Grille (and a \$30 credit if you are staying in a Two Bedroom Suite) and if you've brought the family pooch on holidays, we'll take the dog for a morning walk!

Simply ask for the **EXECUTIVE FLOOR** when making your reservations – rates are **in addition** to the rates of the accommodation type you are inquiring. It is **an extra \$50*** per night for the Junior Suite or a One Bedroom Suite you are booking and **an extra \$200*** per night for a Two Bedroom Suite you are booking, taxes are additional. (Changes to room categories, e.g. Junior Suite to a Two Bedroom Suite are subject to additional rates.)
