**TREVOR GRAHAM NAMED GENERAL MANAGER OF THE WESTIN  
RESORT & SPA IN WHISTLER**

**WHISTLER, BC, July 11, 2006** – John O’Neill, President of O’Neill Hotels & Resorts Ltd., operators of The Westin Resort & Spa in Whistler, announced the appointment of Trevor Graham as General Manager for the 419 all-suite resort property. Currently an Ontario resident, Graham will be relocating to Whistler on August 28 to assume this role.

“We were delighted to have found an individual whose hotel experience and resort background matched what we needed in a general manager for our Whistler property” said John O’Neill, who with brother Rob O’Neill is also the principals of OHR Whistler Management Ltd. “Trevor is a seasoned hotelier with 20 years experience in large urban hotels and boutique resort properties. Most recently, he was overseeing a number of Delta Resorts located throughout the Muskoka region of Ontario, which like Whistler is a recreation destination in Canada. His experience managing owner relations, brand integrity, golf club members and new development within a resort destination is the perfect fit for us. We’re thrilled that he will be leading our award-winning property as we ready ourselves to welcome the world to the 2010 Winter Olympic Games.”

Graham began his career in hospitality with management positions at several golf and country clubs and hotels in the late 70’s and early 80’s. In 1984 he joined Westin Hotels & Resorts as the Director of Convention Services for The Westin Harbour Castle in Toronto, where over the next five years he broadened his experience within the sales department to become the Director of Sales of this 1,000 room hotel from ’87 – ’89. From ’90 to ’98, Graham honed his destination resort experience with senior management positions at resorts in Barrie, Orangeville and Collingwood, Ontario. In ’98, he joined the ClubLink Corporation, where as Executive Director was responsible for the operations of seven resorts that the company acquired that year. Two years later, Graham was named general manager for the Delta Muskoka Resorts (ClubLinks four remaining resorts) and then in 2003 general manager of the Delta Grandview Resort in Huntsville, Ontario, which is where he will be relocating from in August.

An Honours Diploma graduate from Humber College, Graham also has his Masters of Business Administration from Guelph University.
