

THE WESTIN

RESORT & SPA
WHISTLER

MAKE TRACKS THIS WINTER TO OUR EXECUTIVE FLOOR AND ENJOY THE REFINED LUXURY OF UNPARALLELED SERVICE LEVELS.

AND, IT ALL BEGINS THE MOMENT YOUR VEHICLE PULLS INTO OUR PORTE COCHERE.

When you book the **EXECUTIVE FLOOR** we'll ask for details about your vehicle so our Lobby Manager will know that you have arrived. While we park your vehicle and deliver your luggage to your guest room, your Concierge will escort you to your suite and confirm all the arrangements, whether it is ski school for the kids, tickets to sleigh rides or dinner in our award-winning Aubergine Grille. We'll have everything in order so your holidays begin as you planned them.

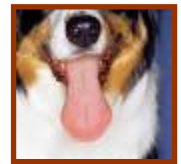

Your accommodation is a residentially-designed suite which has just undergone a \$10 million guestroom refurbishment program. You will find all the comforts of home, from a welcoming fireplace to an inviting soaker tub to a quality-appointed kitchen, and of course Westin's famous *Heavenly Bed*. And, windows that open up to fresh mountain air!

But there's more.

Every morning we'll provide a wake up **coffee service** in your suite, **"turn down" service**

every night of your stay (with special sweet treats of course on the pillow and bedtime story book for the children), **free internet** access if you need to contact the office or home, **complimentary ski valet** service to store skis and boards, **\$15 credit** every day of your stay to use towards dining in the Aubergine Grille (and a \$30 credit if you are staying in a Two Bedroom Suite) and if you've brought the family pooch on holidays, we'll take the dog for a morning walk!

Simply ask for the **EXECUTIVE FLOOR** when making your reservations – rates are **in addition** to the rates of the accommodation type you are inquiring, so **an extra \$50*** per night for the Junior Suite or a One Bedroom Suite you are booking, and **an extra \$200*** per night for a Two Bedroom Suite you are booking, taxes are additional. Changes to room categories, e.g. Junior Suite to a Two Bedroom Suite are subject to **additional rates**. Executive Floor rates are in addition to the regular rates you are paying and only valid from **December 18, 2009 to April 10, 2010**. (*Taxes and parking are additional.)
